How it works

A 7K lull lift is needed at time of installation for the following units,

- Wider than 30'
- Taller than 14'
- RV Covers
- Any units with 14'x14' garage doors
- Risk Category II Buildings
- Any roof pitch greater than 3/12 and taller than 9' leg height

Lift Rental Policy and Terms

Yes, I understand the Lift Rental needs to be on site before 7am on the day of install. *

Yes

Custom Built Structures Inc, reserves the right to charge \$1,000 or more per day, for loss of time due to lift not being available. *

Yes

By signing this form, you are stating that you fully understand and agree to the terms of our lift policy.
