PURCHASE ORDER v12

Prices, Payment and Risk of Loss

a.) Prices contained in Seller's published price lists, if any, are subject to change without notice. Prices in individual written quotations or proposals are firm only for a period of (30) days from the date of the quotation after which Customer should inquire of Seller as to their validity and request a written confirmation or revision. All prices are in United States dollars. Prices do not include taxes unless specifically included on the first page of this Purchase Order. Customer agrees to pay all applicable sales or other taxes levied with respect to product(s) and re-placements in the Purchase Order, unless exempt therefrom. Customer shall pay all government fees levied on the installation and inspection of the product(s). Customer shall pay upon receipt of all invoices rendered by Seller for any such items or amounts Seller may pay and for the product(s).

b.) Seller reserves the right to update or change any pricing discrepancies made by dealer.

c.) Customer is liable, at Seller's sole discretion, for increased prices to cover costs (plus reasonable overhead and profit) of design, materials, and manufacturing required by changes requested by Customer after the date of any quotation. The total cost on the first page does not include additional labor for product(s) being installed over RVs, campers, large obstacles, retaining walls, docks, decks, fences, etc. In such instances, Seller shall charge Customer, and Customer agrees to pay, for the additional labor costs (plus reasonable overhead and profit up to 20% of the additional labor costs).

d.) Customer expressly agrees that the product(s) shall remain property of Seller until payment is made in full.

e.) Seller hereby retains a purchase money security interest in the product(s) as set forth in Section 9 of the Uniform Commercial Code as enacted in the state where building is being installed. Failure to pay will result in repossession of unit, and Customer will remain liable for all damages sustained by Seller, including Seller's reasonable attorneys' fees under N.C. Gen. Stat. § 6-21.2 and court costs.

f.) Seller reserves the right to request a down payment from Customer prior to installing the product(s). Any remaining balance is to be paid in accordance with the payment terms outlined in this Purchase Order, to Seller by cashier's check, money order, Visa, Master Card, American Express, or Discover Card. NO PERSONAL CHECKS OR COMPANY CHECKS will be accepted. If Customer refuses, fails, or is unable to pay the balance or other charges allowed by this Purchase Order after the completion of the installation of the product(s), then Customer authorizes Seller to charge the remaining balance to the credit card, if any, on file for the Customer.

g.) Seller holds the right to make any exceptions to the above clause. If payment is made in check and the check is returned for insufficient funds, Customer will be responsible for additional expenses incurred by Seller as a result of the returned check. Seller reserves the right to charge additional fees as allowed by law for checks returned for insufficient funds. These fees include a \$35 service charge.

h.) Seller will not be responsible for down payment refunds. The independent dealer will have this responsibility if a refund is legally due.

i.) Seller reserves the right to cancel any order at anytime without liability to Customer.

j.) In addition to any non-refundable down payment made, a restock fee of 10% of the total cost or \$250, whichever is more, will be charged for Customer cancellations within 72 hours of installation date, or if the installation cannot be completed as scheduled due to the installation location being unprepared and/or unlevel, Customer has not obtained all required permits, or for any other reason that is not the fault of Seller.

k.) Buyer agrees both the original dealer deposit and the required 60% deposit will cover materials, labor and other expenses the dealer and manufacturer may have incurred in the process of fabricating, delivering, selling and partially or fully installing said order or goods.

DOWN PAYMENT NON-REFUNDABLE

i.) For all structures \$5,000 and above: 60% of remaining balance is due prior to scheduling, 30% due prior to installation start, final 10% due upon completion. Orders \$5,000 and under: 60% due prior to scheduling, the remaining 40% is due upon completion. All payments must be made payable to CBS and given directly to the installation crew.

Delivery.

a.) Shipping and installation dates are estimated based on Seller's present engineering and manufacturing capacity and scheduling, and may be revised by Seller upon receipt or scheduling of Customer's Purchase Order. Delivery dates may be rescheduled due to bad weather conditions, installer running behind, accidents, etc. Customer agrees to give Seller up to 3 installation attempts to deliver the product(s) before Customer may cancel this Purchase Order.

b.) Customer acknowledges and agrees that the delivery and installation of the product(s) is to be completed by an independent contractor company who is not an employee or agent of Seller. Customer acknowledges and agrees that Seller is not responsible for any damage that occurs to the product(s) or

any of Customer's property during installation, that is not the fault of Seller's active negligence.

c.) Customer agrees to maintain a safe location, and to warn the factory approved installer of any hidden dangers, for installation of the product(s). Customer acknowledges it is liable for any injuries or damages that may occur as a result of any unsafe conditions at the installation location.

d.) Seller reserves the right to use photos of installation taken by any party to this agreement and retains copyright use rights.

Workmanship Warranty.

a.) All product(s) have a 90-day installation workmanship warranty effective upon day of installation. After 90 days Seller will charge and Buyer will pay a labor fee, trip fee, and materials fee to inspect a product(s) in need of repair. Any installation concern must be reported within the 90-day window from the completion of installation in order to be eligible for the application of this warranty. Manufactured panels are warranted for 20 years assuming regular care and maintenance. Any manufactured panel concerns must be reported within the 20-year window in order to be eligible for application of this warranty. Seller is not liable for, and the warranty will not apply to, any damages as a result of any inclement weather, misuse of the product(s), unlevel lots, and customer modifications.

b.) Seller strongly recommends buildings with frame lengths longer than 30 foot to be vertical roofs to avoid possible leaks and or rust in between seams. Buildings purchased with a frame length of 31 foot or longer that do not have vertical roofs will forfeit the 20-year limited warranty on paneling except in states that allow delivery of seamless 36-foot paneling.

c.) Base Price reflects only roof & framing; sides, ends, etc. are optional features. Frames on all buildings are 1 foot shorter than roof length. Roofs have 6" overhang on front and back. Frame lengths are as follows: 21'-20' Frame, 26'-25' Frame, and so on. Cement pad to match frame length.

d.) In the event of supply disruptions, lack of materials, or as is otherwise necessary to provide the product(s) to Customer, Seller retains the right to make reasonable exchanges of components for the product(s).

e.) Customer acknowledges and agrees that any samples provided to Customer or viewed by Customer are approximate and that actual coloration of the product(s) may vary and may change over time and sun exposure. Customer acknowledges that Seller is not liable for color variations.

f.) Roll-up doors are sold as-is and carry no warranty, express or implied. Seller does not warrant roll-up doors, including door panels, tracks, springs, motors, or related hardware.
